Aloha Bob,  
Very productive ELB meeting today!

In your ELB Leadership Priorities, under build workforce capacity, could you include something about enacting essential early childhood educator workforce policies. Here's what is recommended by the Center for the Study of Child Care Employment. <https://cscce.berkeley.edu/workforce-index-2020/state-policies-to-improve-early-childhood-educator-jobs/state-policies-overview/>

Any questions, let me know.

Mahalo for your leadership!

Terry
